

# **Fayette County Parks and Recreation Needs Assessment Survey**

Dear Fayette County Citizen

We need your input to help us plan for the future. It is our desire to know how Fayette County Parks and Recreation Department can serve you better and make the best use of resources that we have. You are important to us and we want your voice to be heard. Therefore, a Parks and Recreation Needs Assessment Survey is available from mid-January to February 15, 2012. Please take the time to go to this link <https://www.surveymonkey.com/s/79S7SFH> to take the survey. This is your opportunity to influence what programs, services and activities the Fayette County Parks and Recreation Department offers going forward. For more information regarding the survey or if you do not have access to a personal computer, please contact the Fayette County Parks and Recreation Department at 770-716-4320.

Thank you,

Fayette County  
Recreation Commission
